

Virundhu Sappadu (Set Meal)

(Tue-Fri served 12.30pm-3pm)*
Not to be shared

'Virundhu' is a feast on a special occasion laid for guests. The traditional way of eating a meal involves being seated on the floor, having the food served on a banana leaf and using clean fingers of the right hand to transfer the food to the mouth. Nowadays, the same exercise is done but guests sit on a dinner table and have the same type of food. 'Sappadu' is a three course meal with rice, appalam (Papadum), selection of curries and a sweet dish.
